

Syllabus  
Algebraic Geometry  
Fall 2008

Instructor: Prof. V. Lakshmibai  
Telephone: 617.373.5637  
E-mail: [lakshmibai@neu.edu](mailto:lakshmibai@neu.edu)

Topics to be covered: Schemes-affine, projective and abstract; morphisms – affine, projective, flat, proper etc.; cohomology theory of schemes; tangent space & singular locus; deformation theory; some classical varieties – Grassmannians & their Schubert varieties, determinantal varieties.
