Introduction to College

Fall 2005

Instructor: Professor S. Jekel

Office: 525 Lake Hall

Phone: 617-373-5639

Email: jekel@neu.edu

Office Hours: Tuesday 1:00-2:00pm, Friday 11:00-1:00 and by appointment.

Course Description:

Designed for freshman math majors to introduce them to one another, their major, their college, and the University. Students are introduced to our advising system, register for next semester's courses, and learn more about co-op. Also helps students develop the academic and interpersonal skills necessary to succeed as a university student.
