

MTHU100 Syllabus
Introduction to College
Fall 2006

Instructor: Professor S. Jekel

Office: 525 Lake Hall

Email: jekel@neu.edu

Office Hours: T- 11:00AM-12:00PM & 1:00-2:00PM, W- 11:00AM-12:00PM

Course Description:

Designed for freshman math majors to introduce them to one another, their major, their college, and the University. Students are introduced to our advising system, register for next semester's courses, and learn more about co-op. Guests from inside and outside the Mathematics Department will be invited to speak about activities related to the major.
