

Calculus AB/BC Summer Institute Hingham High School

This AP Summer Institute
has been endorsed by

- Dates** One week session: August 2 - 6, 2010
- Time** 8:00 – 3:00 Monday - Friday
- Cost** \$850 Payable to: Hingham High School Math Department
- Sponsor** Sponsored by Hingham Public Schools
- Graduate Credit** 3 graduate credits from Endicott College are available for an additional charge of \$180.
- Leader** Steve Olson, Hingham High School. Steve is a past member of the AP* Calculus Committee, long time Table Leader at the AP Reading, and Calculus workshop leader for the College Board.
- Rationale** To offer an AP Institute that includes work with the newest AP Calculus Course Description to area teachers who prefer a non-residential institute.
- Program** The focus of the week of classroom activities will be a careful consideration of the NEWEST AP Course Description, practical experience using the a graphing calculator in a calculus environment, and discussions concerning changes in course content and pedagogy in a technology rich environment. Participants with various degrees of AP experience as well as graphing calculator experience are welcome.
- Contact** Steve Olson, 10 Fairwood Drive, Pembroke, MA 02359
Phone (781) 826-6560 E-Mail: s.olson@neu.edu
- Acceptance** In addition to returning the bottom of this sheet along with a non-refundable deposit of \$100, payable to **Hingham High School Math Department**, send me an E-Mail note and I will respond indicating the status of your registration. You will receive directions to Hingham High School in late July. Your deposit will be applied to your tuition and the balance is due at the first session.
